THE TERMS LEFT AND RIGHT WERE USED IN THE FRENCH REVOLUTION WHEN THE NATIONAL ASSEMBLY DIVIDED TO DEMONSTRATE WHICH SIDE THEY WERE ON.

UNDER CAPITALISM MAN EXPLOITS MAN...

ALL SNAIL LABOUR! THERE ARE RED TIES WITH BLUE COLLAR WORKERS, BUT BLUE IS TORY.

I CAN RUN P-RINGS AROUND THESE CLOWNS!

WHY ARE MPS CALLED RIGHT HONOURABLE WHEN THEY'RE NEITHER?

LEFT & RIGHT AREN'T SIDES OR CHANNELS. THEY SIMPLY TAKE THEIR TURN...

CEUX DE DROITE NE SEMBLANT PAS TRÉS ADROIT

I'LL HUFF AND I'LL PUFF AND I'LL BLOW THE LITTLE PIGS' HOUSES ... ER... PRICES UP! THAT'S IF 'TALES' ABOUT A DEAD PIG BLOWING ME DON'T GET OUT ...

WHEN YOU'RE DEALING WITH SIMPLE FOLKS... KEEP THINGS SIMPLE FOR THE SHEEPLE... THEN AFTERWARDS I SAY THEY CAN FLOCK OFF!

ISN'T IT TIME WE HAD SOMEONE ON A WHITE CHARGER, RATHER THAN SOMEONE 'WHITE' WHO CHARGES A FORTUNE?

HE'S SO FLUFFY!

DYLAN ISN'T FAR OUT. HE'S FAR RIGHT

MEP... MEP...

Red ties with blue collar?

Labour's History?

New Improved Labour took an earnest young man, and made him leader. He won and followed **WMD: Wicked Masters' Directives**. He is led into the path of temptation and leads us into war. The UK is still battling with the immense consequences of #BlairWars.

Corbyn's Crucifixion

With the initials JC, what did Jeremy expect? He's a gift to detractors, having also been described as Santa with all the air let out.

Clegg's Friesian ...

Nick's stuck out in the cold. If you're going to stitch people up, better to pick on those who

are vulnerable. That was the Coalition's master plan. The Libdem's problem was that students know when they've been f**ked over. It remains to be seen if Tim will find himself Farooned too?

Banking on what?

Curious isn't it how the embedded Establishment

never asked the **BANKS** to explain to the Public what happened to all our money, but invited us to bear the cost? Sounds like Ordure, ordure!

Florence Cameron

How did this moist-mouthed big girl's blouse (no offence girls)

waltz into No. 10? A toff whose parting shot from left to right just like his policies (or was it right to left?) came across as dodgy long before Daddy's dealings in Panama came home to roost. And let's not mention pigs or he might fly off the handle.

Beware of the Dog!

This Disloyal Disobedient Dog, acts all scatty and shaggy. He's an accident waiting to govern. But then the same might be said of Mr. Forager, who still isn't even a Member of Parliament in, er, England. Nigel was a Tory Party member until the 1990s.

They say you can't run with the hare and the hounds (Toffs like Dave prefer the latter). Moderates are often seen as the tortoises, standing in the MOR waiting to get run-over. Well we're coming out of our shell if only to stop corrupt career MPs shelling all those innocents abroad ...

UNDER COMMUNISM IT'S THE OTHER WAY ROUND...
